Registration

Registration forms can be found online at www.pmta.info under Student Events >> Sonata Contest. All forms must be typed or neatly printed. All adjudication forms need to be filled out by the teacher, not the student. All information must be filled out on the adjudication form, including the title of the piece, the composer, approximate length of the piece, and the accompanist (if applicable). If proper and completed adjudication forms are not received by the registration deadline, those students will not be registered to participate in the contest, not even for “comments only.” Registration fees for these students will be returned to the teacher.

The following items are required to complete the registration process:

- 1) the main entry form,
- 2) appropriate adjudication form(s) for each student,
 - 1 copy for Sonata Piano levels 1-12, Instrumental levels 1-6, Adult divisions
 - 2 copies for Collegiate levels 13-14; Junior High, High School, Graduating Senior scholarships
- 3) a completed teacher work card,
- 4) the \$30 fee per event for each student, and
- 5) the \$10 teacher fee.

Students **cannot** change their repertoire or their division after registration closes.

Registrations should be mailed to DL Murphy (see membership roster for address; an email will also be sent out to the group email list prior to registration week. For privacy, her address won't be posted here.) Registrations may also be hand-delivered beginning Monday, January 14, 2019 and not later than Sunday, January 20, 2019 at 9:00 pm. If you choose to hand-deliver your registration, please place your registration in the box provided on the front porch. **Forms not received by 9:00 pm on January 20 will be returned to the teacher.** You must sign the main entry form indicating that you have read the rules for the Sonata and Scholarship Contests. This ensures that all guidelines are understood and prevents surprises from occurring the day of the contest. Questions about registration should be emailed to [the](mailto:EdwardLVarela@gmail.com) chairman: EdwardLVarela@gmail.com

Work Preference Form: Teachers need to fill in the work preference form, indicating their preferred area. If providing a sub, include details about the sub, such as “Older parent who cannot be on feet all day.” All teachers who enter students are required to work at the day of the competition.

Accompaniment (Instrumental/Voice)

Accompaniment is required unless a piece is unaccompanied.

- Fill in the name of the accompanist on both the entry and adjudication forms; otherwise, it will be assumed that the piece is unaccompanied.
- Accompanists must play for only one family of instruments for scheduling purposes: i.e. strings only, woodwinds only, etc.

If the items above are not in order by the registration deadline, it is the responsibility of the teacher and/or student to make other arrangements in order to resolve any scheduling conflicts.

SONATA Contest – All Participants

A Sonata Contest will be held each year for piano, strings, band, and vocal categories. A Sonata Committee will be appointed by the PMTA Executive Board to carry out the functions of the Contest. A Repertoire Committee will select the piano repertoire to be performed (one sonata/sonatina for each Sonata level, excluding college divisions). Instrumental and vocal repertoire is selected by the teacher.

Any level with a large number of registrants may be split into two (or more) sections of proportionate size at the discretion of the Sonata Committee, and will be placed into their section by random selection, then adjusted as needed due to conflicts from participation in multiple events and/or accompanist schedules.

A judge or judges will evaluate students in each level. Piano levels 1-12 and instrumental levels 1-6 are closed to the public. After all students in a given level have performed, the judge shall select a 1st, 2nd, and 3rd place winner (and honorable mentions as appropriate). The judge shall write comments for each student's performance whether or not the student receives an award.

PIANO - Sonata Contest

Sonata Contest for piano division is open for beginning through college students based on levels:

- Elementary levels (ages 10 and younger): 1A, 1B, 2A, 2B, 3A, 3B
- Elementary levels (ages 11 and older): 1C, 2C, 3C

Note that levels A and B in these elementary levels are reserved for students ages 10 and younger by the contest date. Level C is reserved for students ages 11 and older by the contest date. Also understand that levels A and B do not necessarily indicate a progression of difficulty in music but rather a choice in selections, although level B repertoire is often times slower in tempo than level A repertoire.

- Intermediate levels: 4A, 4B, 5A, 5B, 6A, 6B
- Early Advanced levels: 7A, 7B, 8, 9
- Advanced levels: 10, 11, 12
- Collegiate levels: 13 (Freshman/Sophomore), 14 (Junior/Senior) – *requires two adjudication forms*

Repertoire is chosen by a repertoire selection committee for levels 1-12. Collegiate levels will perform any one movement of any sonata by a recognized composer. All repertoire must be performed from memory without repeats, except in the case of a da capo, which completes the form of the piece, or as noted on the repertoire list. All piano entrants need to bring an original score for their judge to be eligible to compete; those who do not bring their original score will play for comments only. Students will perform at a scheduled time to be assigned following registration. Collegiate divisions award scholarships in the amounts of \$300 for 1st place, and \$150 for 2nd place.

PIANO/BAND – Adult Sonata Contest

This special category is for adult musicians that would like to participate in the Sonata Contest. All participants will receive a Certificate of Achievement and a judge's evaluation sheet. 1st, 2nd, and 3rd places are not awarded; only honorable mentions are awarded. Memorization is not required for either piano or band divisions. An original copy of the music must be provided to the judge.

Repertoire requirements:

- **Piano:** Any sonatina/sonata movement of any degree of difficulty.
- **Band:** Any sonatina/sonata movement or sonata form composition of any degree of difficulty.

STRINGS - Sonata Contest

Sonata Contest for strings division is open for beginning through college students based on instrument and levels. Repertoire is selected by teacher from an approved list (see www.pmta.info). String repertoire is divided into levels 1-6 for violin, viola, cello, and bass. There are no age requirements for levels 1-6. Depending on the number of entries, different instruments of the same level may be combined to compete as one group (e.g., Violin 1 and Viola 1 may be combined into Strings 1). For all strings levels, memorization is taken into consideration during judging but is not required. An accompanist is required for all pieces that are not scored “unaccompanied.” Students in levels 1-6 will perform at a scheduled time to be assigned following registration. The performances in all collegiate divisions are open to the public. These divisions award scholarships in the amounts of \$300 for 1st place, and \$150 for 2nd place.

Repertoire requirements:

The percussion division includes mallets and snare. Repertoire is based on the FBA (Florida Bandmasters Association) list, with some additions, and can found on the website at www.pmta.info. Teachers may suggest pieces to be added to the list by using the request form found on the PMTA website.

Depending on the number of entries, different instruments of the same level may be combined to compete as one group. Repertoire is individually selected. Memorization may be taken into consideration by the judges, but is not required for band divisions. Students who do not have an original score for their judge will play for comments only. Collegiate level is for freshmen through seniors in college with all instruments competing together. As the collegiate division grows, participants will compete in two levels as Freshman/Sophomore and Junior/Senior. An accompanist is required for all pieces that are not scored “unaccompanied.” Students in levels 1-6 will perform at a scheduled time to be assigned following registration. Collegiate divisions award scholarships in the amounts of \$300 for 1st place, and \$150 for 2nd place.
