STUDENT DAY REGISTRATION INSTRUCTIONS

1. Event Format/Changes: We will continue the pattern we began last year and allow students to complete a live audition or a video audition. All Written and Aural Theory tests will be taken online through lion theory. Follow the instructions found here to register each student for the online tests. <https://www.fmta.org/fsmta-non-competitive-events.html>. We will again this year NOT have a winner's recital but I am hoping to bring that back next year.

1. Registration Form: Each teacher should complete and return one copy of the completed registration form either by physical copy, email, or via the Google Spreadsheet Registration Form. Please list students **by instrument, then by level**. A copy of the master list, including all audition times will be sent (via email) to each participating teacher. Please let the chairman know if you do not have access to a computer and a paper copy will be mailed to you. Be certain to double-check all spellings so they will be correct on the certificates.

2. Student Day Examination Form: One Student Day Examination Form must be completed for each student entered. **Several of the forms were updated for 2019 so please complete the correct form.** Copies of these can be found online at www.pmta.info by following the link for Student Day to the FSMTA Website. **The FSMTA website requires a password to access the Student Activities page forms. This password will change annually in early October. The 2021-2022 password is "Mozart"**. At the top of the Examination Form, fill in the student's name. Check to be sure you are completing the form for the **correct level** for each student. The level is listed at the top of the form, centered on the page.

Next, put a checkmark by either Achievement or Progress. Remember, Achievement is not better than Progress. If you think you student is making Progress, but not yet mastering all four areas of examination, then check the Progress box.

Also note that if a student is testing on multiple instruments, their theory test will reflect the highest level tested. (ie. Piano: Level 3, Flute: Level 2, then their theory tests will be: Theory Level 3)

In SECTION 2: REPERTOIRE of the Examination Form, list the title of each piece including the composers' names and the lengths of the pieces.

Remember, we must comply with Florida State Repertoire Requirements which mandate that all pieces must be original compositions; no arrangements are allowed. This means that simplified classical pieces are not allowed as they are arrangements. No photocopies are allowed which means you must provide separate original copies for soloists, accompanists, and judge.

3. Teacher Work Preference Form: Please plan to be available to work a half day at this event. Having the testing online does minimize the number of helpers needed but teachers are still needed to monitor.

4. Special Scheduling Requests: There is not a separate form for this. If you are using the Google Excel Spreadsheet to register, the last column is for Special Scheduling Requests. If you are using the "regular paper registration form," the last column is for Special Scheduling Requests for any special situations, such as needing a morning or afternoon audition, or efforts to coordinate siblings. We will do everything we can to honor these special requests. Please also indicate in this column if the student will be doing a live or video audition. A link for uploading video auditions will be sent to you.

5. Check: Include your payment for entry fees and teacher fee. Cost is \$30 per student for each instrument entered. The teacher fee is \$10 which includes lunch. Send one check per teacher, made out to PMTA, for the combined total of entry fees and your \$10 teacher fee.

Registration Checklist: Your registration should include:

- 1) the completed registration form (OR email via the Student Day Registration Google Spreadsheet!)
- 2) teacher work preference form
- 3) one Student Examination Form for each student for each instrument
- 4) one check per teacher

Item #1 is due on or before April 22, 2022. Late entries cannot be accepted, as judges are secured and schedules made to accommodate registered students. All other items are due on or before April 29, 2022. Registration materials may be mailed to:

Debbra Pope
2045 Tujaques Place
Pensacola, FL 32505
Dpianosings@yahoo.com (850) 418-3468

A drop off box is also available at the above location.

Please type or print neatly so that we spell everything correctly on your certificates.

Thank you!

1. All auditions and testing will be held at Pensacola Christian Academy in the music wing. Students and parents will enter through Door 6 near the gymnasium.
2. Please be sure students bring their original music with measures numbered. No photocopies of music are allowed.
3. The Information/Check-In Desk will be located at the entrance to the music wing. Participants, parents, and guests will wait in the cafeteria area in between tests. This greatly assists in eliminating confusion and noise in the hallways where students are playing and allows a more comfortable, spacious waiting area.
4. Students should arrive ten minutes before their event.
8. Student Day Testing Results and Certificates will be given to the teachers the week following Student Day. Teachers will be notified via Email when their folders are available for pick-up.

Thank you for your participation in Student Day!
